Southwest Regional Water District is a long established and growing public water service business. We are focused on serving the public drinking water needs of the Southwest Iowa Region. We are looking for team players with a good work ethic and who will share in our goal of providing first rate services for our customers. We are always looking for qualified employees with integrity and a mindset to enhance our rural water system operation. Please ask for our introductory employment application form. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
